My Choice Rewards offers six medical plan options to cover your medical, vision and prescription drug needs:

- **HFHS Advantage Tiered Access HAP Plan**, with lower deductibles and copays when you use Henry Ford Health-affiliated providers and facilities
- **BCBSM PPO Plan**, offering the broadest network of providers — but at the highest cost
- **Manulife Plan** for Canadian team members

My Choice Rewards also offers two Delta Dental plans with coverage for preventive care. Dental coverage is available through ManuLife for Canadian team members.

Time Off to Relax, Recharge and Reconnect

You are entitled to four weeks of paid time off per academic year. Please refer to Medical Education Policy 421 for more information.

Tax-Free Savings for Health Care Costs

Health Savings Account

Choose a CDHP medical plan and you'll have access to a Henry Ford Health-funded HSA that can be used on eligible health care expenses. In addition to your pretax contributions, we will deposit \$250 in your HSA for employee-only coverage or \$500 for family coverage. You can double the HSA contributions from Henry Ford Health by completing wellness activities. Plus, your HSA dollars carry over from year to year for future medical expenses — even into retirement.

Flexible Spending Accounts (FSAs)

For all other medical plans, you can contribute pretax dollars (up to the IRS allowable limit) in a Health Care FSA for eligible health care expenses and/or a Dependent Care FSA for child/elder care expenses. Unlike an HSA, your FSA funds can only be used in the year in which you contribute.

Meaningful Savings for Retirement

HFHS Ambassador 403(b) Plan

To support your future financial well-being and maximize your savings potential, we offer the HFHS Ambassador 403(b) Plan. Upon hire, team members in all pay grades are enrolled in this plan at 3% of pay. Team members are also eligible to make additional pretax or after-tax contributions (up to the annual IRS limits). We will match your contribution as follows:

Culture of Caring

When you work at Henry Ford Health, you're not just another team member: you're a part of a community of experts dedicated to helping our patients — **and each other.**

Team Member Contribution	Henry Ford Health Matching Contribution
6.0%	3.5%
5.0%	3.0%
4.0%	2.5%
3.0%	2.0%
2.0%	1.5%
1.0%	1.0%

Eligible team members who work at least 1,000 hours of service in the Plan Year and are actively employed within Henry Ford Health on December 31 will also receive a discretionary supplemental contribution. This contribution will be allocated as a uniform percentage, which is subject to change, of eligible compensation.

You are always 100% vested in your own contributions to the plan, but a two-year vesting period is required to "own" 100% of the employer-paid contributions.
